PROXY INSTRUCTIONS

Appointment of Proxyholders

The persons named in the accompanying form of proxy (the "**Form of Proxy**") are directors and officers of the Company. **Each Shareholder has the right to appoint some other person, who need not be a Shareholder, to represent the Shareholder at the Meeting by striking out the names of the persons designated in the accompanying Form of Proxy and by inserting that other person's name in the blank space provided.**

The instrument appointing a proxyholder must be signed in writing by the Shareholder, or such Shareholder's attorney duly authorized in writing. If signed by a duly authorized attorney, the Form of Proxy must be accompanied by the original power of attorney or a notarial certified copy thereof. If the Shareholder is a corporation, the instrument appointing a proxyholder must be in writing signed by an officer or attorney of the corporation duly authorized by resolutions of the directors of such corporation, which resolutions must accompany such instrument.

A proxy will only be valid if it is duly completed, signed, dated and received by Computershare in accordance with the instructions in the Form of Proxy, not less than 48 hours (excluding Saturdays, Sundays and statutory holidays) prior to the time set for the holding of the Meeting, (or any adjournment or postponement thereof) unless the Chair of the Meeting elects to exercise his discretion to accept proxies received subsequently.

Late proxies may be accepted or rejected by the Chair of the Meeting at his discretion and the Chair of the Meeting is under no obligation to accept or reject any particular late proxy. The Chair of the Meeting may waive or extend the proxy cut-off without notice.

REVOCATION OF PROXIES

A Shareholder may revoke a proxy by delivering an instrument in writing executed by the Shareholder or by the Shareholder's attorney authorized in writing, or where the Shareholder is a corporation, by a duly authorized officer or attorney of the corporation, either at the office of the Company at any time up to and including the last business day preceding the day of the Meeting, or with the consent of the Chair of the Meeting on the day of the Meeting or on the day of any adjournment thereof, before any vote in respect of which the proxy is to be used shall have been taken. A Shareholder may also revoke a proxy by depositing another properly executed instrument appointing a proxyholder bearing a later date with Computershare in the manner described above, or in any other manner permitted by law. A revocation of a proxy does not affect any matter on which a vote has been taken prior to revocation.

HOW TO VOTE

Only registered Shareholders (each a "Registered Shareholder") or their duly appointed proxyholders are permitted to vote at the Meeting. Shareholders who hold their Common Shares through their brokers, intermediaries, trustees or other persons ("**Intermediaries**"), or who otherwise do not hold their Common Shares in their own name ("**Beneficial Shareholders**") are not permitted to vote at the Meeting as only proxies from Registered Shareholders can be recognized and voted at the Meeting. You may vote as follows:

Registered Shareholders: If you are a Registered Shareholder, you may vote by attending the Meeting in person, or if you do not plan to attend the Meeting, by completing the proxy and delivering it according to the instructions contained in the Form of Proxy and this Circular.

Beneficial Shareholders: If you are a Beneficial Shareholder, you must vote by proxy by carefully following the instructions included in the proxy provided to you by your Intermediary. If you do not follow the special procedures described by your Intermediary, you will not be entitled to vote. See "*Advice to Beneficial Holders of Common Shares*" below for more information.

In accordance with the requirements of National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**") of the Canadian Securities Administrators, the Company has distributed copies of the Notice of Meeting, this Circular and the Form of Proxy to the clearing agencies and Intermediaries for distribution to Beneficial Shareholder.

The Company encourages you to vote by proxy in advance of the Meeting. The Company may restrict access to the Meeting to Registered Shareholders or their duly appointed proxyholders. Those attending the Meeting in person will be required to comply with the then current direction and advice from federal, provincial and municipal levels of government concerning public gatherings.

Advice to Beneficial Holders of Common Shares

The information set forth in this section is of significant importance to many Shareholders, as a substantial number of Shareholders do not hold Common Shares in their own name. Beneficial Shareholders should note that only proxies deposited by Shareholders who appear on the records maintained by the Company's registrar and transfer agent as Registered Shareholders will be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Beneficial Shareholder by an Intermediary, then those Common Shares will, in all likelihood,

not be registered in the Shareholder's name. Such Common Shares will more likely be registered under the name of the Intermediary or agent thereof. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms). In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co., the registration name for The Depository Trust Company, which acts as nominee for many United States brokerage firms. Common Shares held by Intermediaries on behalf of a Beneficial Shareholder can only be voted or withheld at the direction of the Beneficial Shareholder. Without specific instructions, Intermediaries are prohibited from voting Common Shares for the Beneficial Shareholders. Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.

Existing regulatory policy requires Intermediaries to seek voting instructions from Beneficial Shareholders in advance of Shareholder meetings. The various Intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. The form of instrument of proxy supplied to a Beneficial Shareholder by an Intermediary is substantially similar to the Form of Proxy provided directly to Registered Shareholders by the Company. However, its purpose is limited to instructing the Registered Shareholder (i.e., Intermediary) how to vote on behalf of the Beneficial Shareholder. The vast majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc. ("**Broadridge**") in Canada. Broadridge typically prepares a machine-readable voting instruction form ("**VIF**"), mails those forms to Beneficial Shareholders and asks Beneficial Shareholders to return the VIFs to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **A Beneficial Shareholder who receives a VIF from Broadridge cannot use that form to vote Common Shares directly at the Meeting. The VIFs must be returned to Broadridge (or instructions respecting the voting of Common Shares must otherwise be communicated to Broadridge) well in advance of the Meeting in order to have the Common Shares voted. If you have any questions respecting the voting of Common Shares held through an Intermediary, please contact that Intermediary for assistance.**

The Notice of Meeting, this Circular, the Form of Proxy and VIF, as applicable, are being provided to both Registered Shareholders and Beneficial Shareholders. Beneficial Shareholders fall into two categories - those who object to their identity being known to the issuers of securities which they own ("**OBOs**") and those who do not object to their identity being made known to the issuers of the securities which they own ("**NOBOs**"). Subject to the provisions of NI 54-101, issuers may request and obtain a list of their NOBOs from Intermediaries directly or via their transfer agent and may obtain and use the NOBO list for the distribution of proxy-related materials directly (not via Broadridge) to such NOBOs. If you are a Beneficial Shareholder and the Company or its agent has sent these materials directly to you, your name, address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding the Common Shares on your behalf.

The Company has distributed copies of the Notice of Meeting, Circular and VIF to Intermediaries for distribution to NOBOs. Unless you have waived your right to receive the Notice of Meeting, Circular and VIF, Intermediaries are required to deliver them to you as a NOBO and to seek your instructions on how to vote your Common Shares.

The Company's OBOs can expect to be contacted by Broadridge or their Intermediaries or their Intermediaries' agents as set out above. The Company does not intend to pay for Intermediaries to deliver the Notice of Meeting, Circular and VIF to OBOs and accordingly, if the OBO's Intermediary does not assume the costs of delivery of those documents, in the event that the OBO wishes to receive them, the OBO may not receive the documentation.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of its Intermediary, a Beneficial Shareholder may attend the Meeting as proxyholder for the Registered Shareholder and vote the Common Shares in that capacity. NI 54-101 allows a Beneficial Shareholder who is a NOBO to submit to the Company or an applicable Intermediary any document in writing that requests that the NOBO or a nominee of the NOBO be appointed as proxyholder. If such a request is received, the Company or an Intermediary, as applicable, must arrange, without expenses to the NOBO, to appoint such NOBO or its nominee as a proxyholder and to deposit that proxy within the time specified in this Circular, provided that the Company or the Intermediary receives such written instructions from the NOBO at least one business day prior to the time by which proxies are to be submitted at the Meeting, with the result that such a written request must be received by 9:00 a.m.

(Vancouver time) on the day which is at least three business days prior to the Meeting. **A Beneficial Shareholder who wishes to attend the Meeting and to vote their Common Shares as proxyholder for the Registered Shareholder, should enter their own name in the blank space on the VIF or such other document in writing that requests that the NOBO or a nominee of the NOBO be appointed as proxyholder and return the same to their Intermediary or agent thereof in accordance with the instructions provided by such Intermediary.**

All references to Shareholders in the Notice of Meeting, this Circular and the accompanying Form of Proxy are to Registered Shareholders as set forth on the list of Registered Shareholders as maintained by Computershare, unless specifically stated otherwise.

QUORUM

The articles of the Company (the "**Articles**") provide that quorum for the transaction of business at any meeting of Shareholders is one Shareholder present at the Meeting in person or by proxy.

VOTING OF SHARES AND EXERCISE OF DISCRETION BY PROXIES

If you complete your proxy properly, then the nominee named in the accompanying Form of Proxy will vote or withhold from voting the Common Shares represented by the proxy in accordance with your instructions. **If you do not specify a choice on any given matter to be voted upon, your Common Shares will be voted in favour of such matter.** The proxy grants the nominee the discretion to vote on amendments or variations to matters identified in the Notice of the Meeting and with respect to other matters that may properly come before the Meeting.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Other than as described in this Circular, no Person (as defined herein) has any material interest, direct or indirect, by way of beneficial ownership of Common Shares or otherwise, in matters to be acted upon at the Meeting other than the election of directors or the appointment of auditor. For the purpose of this paragraph, "**Person**" shall include each person: (a) who has been a director, senior officer or insider of the Company at any time since the commencement of the Company's last completed financial year; (b) who is a proposed nominee for election as a director of the Company; or (c) who is an associate or affiliate of a person included in subparagraphs (a) or (b).

VOTING SHARES AND PRINCIPAL SHAREHOLDERS

The Company is authorized to issue an unlimited number of Common Shares without par value, each Common Share carrying the right to one vote. As of the Record Date (as defined below), the Company had 170,896,049 issued and outstanding fully paid and non-assessable Common Shares. The Company has no other classes of voting securities.

The board of directors of the Company (the "**Board**") has fixed **October 25, 2023** as the record date (the "**Record Date**") for the determination of Shareholders entitled to receive the Notice of Meeting and to vote at the Meeting. Any transferee who acquires Common Shares after the Record Date and who wishes to attend the Meeting and to vote the transferred Common Shares must demand, not later than 10 days before the Meeting, to be included in the list of Shareholders prepared for the Meeting. Registered Shareholders should contact Computershare and non-Registered Shareholders should contact the Intermediary through whom they acquired the Common Shares.

On a show of hands, every individual who is present as a Registered Shareholder or as a representative of a Registered Shareholder will have one vote (no matter how many Common Shares such Registered Shareholder holds). On a poll, every Registered Shareholder present in person or represented by a proxy and every person who is a representative of a Registered Shareholder, will have one vote for each Common Share registered in the name of the Registered Shareholder on the list of Registered Shareholders, which is available for inspection during normal business hours at Computershare and at the Meeting. Registered Shareholders represented by proxyholders are not entitled to vote on a show of hands.

To the best of the knowledge of the directors and officers of the Company, as at the date of this Circular, there are no Persons or companies beneficially owning or exercising control or direction, directly or indirectly, Common Shares carrying 10% or more of the voting rights attached to all outstanding Common Shares, except as follows:

Name	Number of Common Shares	Percentage of Outstanding Common Shares
Silvercorp Metals Inc. (" Silvercorp ")	46,893,506	27.4%
Pam American Silver Corporation	19,807,848	11.6%

FINANCIAL STATEMENTS

Financial information regarding the Company and its affairs is provided in the Company's audited consolidated financial statements and management discussion and analysis ("**MD&A**") for its fiscal year ended June 30, 2023. Shareholders may contact the Company at the address set out on the face page of this Circular to request free copies of the Company's audited consolidated financial statements and MD&A. PARTICULARS OF MATTERS TO BE ACTED UPON

NUMBER OF DIRECTORS

The Board presently consists of seven directors. Management proposes that the number of directors on the Board be fixed at seven. Shareholders will therefore be asked at the Meeting to approve an ordinary resolution that the number of directors be fixed at seven for the ensuing year, subject to such increases as may be permitted by the Articles and the provisions of the *Business Corporations Act* (British Columbia) ("**BCBCA**"). **The Board recommends a vote "FOR" the approval of the resolution fixing the number of directors at seven. In the absence of contrary instructions, the Management proxy nominees named as proxyholders in the enclosed Form of Proxy will cast the votes represented by any proxy FOR the approval of the resolution fixing the number of directors at six.**

ELECTION OF DIRECTORS

Each director of the Company is elected annually and holds office until the next annual general meeting of the Shareholders, or until his or her successor is elected or appointed, unless that person's office is earlier vacated in accordance with the Articles or the provisions of the BCBCA.

Management has received written consent from each of Management's nominees for election as a director as to their willingness and ability to serve as a director. The Company has adopted a majority voting policy where any nominee proposed for election as a director is required to tender their resignation if the director receives more *withheld* votes than *for* votes (i.e., a majority of withheld votes) at any meeting where Shareholders vote on the uncontested election of directors. An *uncontested election* means the number of director nominees for election is the same as the number of directors to be elected to the Board. The Corporate Governance Committee (as defined below) will then submit a recommendation regarding whether or not to accept the resignation to the Board. Within 90 days of receiving the final voting results, the Board will issue a press release either announcing the resignation of the director or explaining the reasons justifying its decision not to accept the resignation. A director who tenders a resignation pursuant to this policy will not participate in any meeting of the Board or the Corporate Governance Committee at which the resignation is considered. No proposed director is being elected under any arrangement or understanding between the proposed director and any other person or company.

In the absence of contrary instructions, the Management proxy nominees named as proxyholders in the enclosed Form of Proxy will cast the votes represented by any proxy FOR the election of the nominees named below.

The following table sets out the names of the Management's nominees for election as directors, the municipality and province or state, and country in which each is ordinarily resident, all offices of the Company now held by each of them, each nominee's principal occupation, business or employment, the period of time for which each nominee has served as a director of the Company, and the number of Common Shares beneficially owned by each, directly or indirectly, or over which each nominee exercises control or direction as of the date of this Circular:

APPROVAL OF OMNIBUS PLAN

In accordance with the policies of the Toronto Stock Exchange ("TSX"), all unallocated options, rights or other entitlements under a securities-based compensation arrangement (which includes the Company's share-based compensation plan (the "**Omnibus Plan**") which does not have a fixed maximum aggregate of securities issuable from treasury by the issuer under such an arrangement must be approved by a majority of the issuer's directors and by the issuer's securityholders every three years.

The Omnibus Plan requires such approvals as it is an "evergreen" plan, meaning that, instead of a fixed maximum, the number of Shares issuable under the Omnibus Plan is limited by reference to a percentage of the Shares outstanding from time to time. Specifically, the maximum aggregate number of Shares reserved for issuance under the Omnibus Plan, together with the number of shares issuable under any other security-based compensation arrangements of the Company, shall not in the aggregate exceed 10% of the issued and

outstanding shares of the Company, from time to time. As a result, should the Company issue additional Shares in the future, the number of Shares issuable under the Omnibus Plan will increase accordingly.

The Omnibus Plan was last approved at the Company's annual meeting of shareholders held on September 30, 2020, and as a result, the three-year term of effectiveness prescribed by the TSX expired on September 30, 2023. The Company is therefore seeking Shareholder approval of the unallocated Awards under the Omnibus Plan at the Meeting.

The number of unallocated Awards under the Omnibus Plan at any given time is calculated by subtracting (i) the number of Shares issuable pursuant to Awards under the Omnibus Plan and pursuant to grants under all other securities-based compensation arrangements of the Company from (ii) the number calculated as 10% of the issued and outstanding Shares.

As of October 25, 2023, the Company had 170,896,049 Shares outstanding and 5,537,451 Shares issuable under existing Award grants (equal to approximately 3.24% of the outstanding Shares). Accordingly, there were unallocated Awards to acquire 11,552,153 Shares under the Omnibus Plan as of October 25, 2023 (equal to approximately 6.76% of the outstanding Shares).

At the Meeting, Shareholders will be asked to vote for or against the following resolutions:

*"WHEREAS the Board of Directors (the "**Board**") of New Pacific Metals Corp. (the "**Company**") adopted the Omnibus Plan on August 25, 2020 a share based compensation plan (the "**Omnibus Plan**" which does not have a fixed maximum number of common shares issuable;*

AND WHEREAS the shareholders of the Company approved the Omnibus Plan, by a majority of votes, cast on September 30, 2020;

CORPORATE GOVERNANCE

The Company's corporate governance practices have been and continue to be in compliance with applicable Canadian requirements. The Company continues to monitor developments in Canada with a view to further revising its governance policies and practices, as appropriate.

The following is a description of the Company's corporate governance practices which has been prepared by the Corporate Governance Committee and has been approved by the Board.

Board of Directors

In compliance with the requirements of the BCBCA, the directors are elected by the Shareholders to manage or supervise the management of the business and affairs of the Company. In exercising their powers and discharging their duties, the directors are required to act honestly and in good faith with a view to the best interests of the Company, and to exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances.

The Board is responsible for approving long-term strategic plans and annual operating budgets recommended by Management. Board consideration and approval is also required for material contracts and business transactions, and all debt and equity financing transactions. Any responsibility which is not delegated to Management or to the committees of the Board (the “**Committees**”) remains with the Board. The Board meets and engages in discussions on a regular basis, as required by the state of the Company's affairs, and also from time to time as deemed necessary to enable it to fulfill its responsibilities.

The Board believes that good corporate governance is important to the effective performance of the Company and plays a significant role in protecting Shareholders' interests and maximizing value for the Shareholders. The Company has reviewed its own corporate governance practices in light of National Instrument 58-101 *Disclosure of Corporate Governance Practices* and National Policy 58-201 *Corporate Governance Guidelines* (“**NP 58-201**”). The Board has adopted a written mandate for the Board which is attached hereto as **Schedule "A"** and is posted on the Company's website at www.newpacificmetals.com. The Board is committed to sound corporate governance practices in the interest of its Shareholders and to effective and efficient decision making. The Company will continue to review and implement corporate governance guidelines as the business of the Company progresses.

Composition of the Board

NP 58-201 recommends that the board of directors of a reporting issuer be composed of a majority of independent directors. During the most recently completed financial year, the Company had a majority of independent directors. The following director nominees: Dickson Hall, Martin Wafforn, Maria Tang, Dr. Peter Megaw, Paul Simpson and Myles Gao are "independent" within the meaning of National Instrument 52-110 *Audit Committees* ("NI 52-110"). If elected, the proposed director nominee Andrew Williams will not be "independent", Mr. Williams is not considered independent as he is the CEO of the Company. The Company has taken steps to ensure that adequate structures and processes are in place to permit the Board to function independently of Management. The size of the Company is such that all the Company's operations are conducted by a relatively small Management team which is also represented on the Board. Any director may submit items for inclusion in the agenda of matters to be discussed at a meeting of the Board. The Board considers that Management is effectively supervised by the independent directors on an informal basis, as the independent directors are actively and regularly involved in reviewing the operations of the Company and has regular and full access to Management.

Directorships

The Board nominees are directors of other reporting issuers as follows:

- Maria Tang is a director of Minco Silver Corporation and HempNova LifeTech Corp.
- Dickson Hall is a director of Bunker Hill Mining Corp. and Arcland Resources Inc.
- Dr. Peter Megaw is a director of Jade Leader Corp., Minaurum Gold Inc. and Relevant Gold Corp.
- Paul Simpson is a director of Silvercorp Metals Inc.
- Myles Gao is a director of Canickel Mining Limited.

The Board holds four regularly scheduled quarterly meetings throughout the year. Meetings are also conducted on an as-required basis to deal with matters as business developments warrant. The following table summarizes directors' attendance at all Board and Committee meetings since the beginning of the Company's most recently completed fiscal year ended June 30, 2023:

Alternatively, a copy of the Code can be found under the Company's profile on SEDAR+ at www.sedarplus.ca and the Company's website at www.newpacificmetals.com. The Board reviews compliance with the Code on an annual basis and is responsible for granting any waivers from the Code. The Company will promptly disclose any material waivers from the requirements of the Code granted to our directors or executive officers following the waiver. There have been no waivers to the Code since it was adopted.

When proposed transactions or agreements in which directors or officers may have an interest, material or not, are presented to the Board, the directors are required to disclose any such interest and the persons who have such an interest are excluded from all discussion on the matter and are not permitted to vote on the proposal. All such interests in transactions or agreements involving senior Management are dealt with by the Board, regardless of apparent immateriality.

Compensation Committee

The Compensation Committee is responsible for determining and approving compensation for directors and senior officers. Please see "**Compensation Discussion and Analysis**" for a description of the policies and practices adopted by the Board to determine such compensation. Fees payable to senior officers and directors have been determined using a number of factors, such as the nature and extent of the contributions by individual directors, and by direct comparison with other companies of similar size, complexity and risk profile. During the fiscal year ended June 30, 2023 the Compensation Committee was comprised of the following directors, all of whom are independent: Maria Tang (Chair), Terry Salman and Dickson Hall. All Compensation Committee members have direct experience that is relevant to their responsibilities in executive compensation. All Compensation Committee members have advised on compensation matters for several public companies and within the resource sector, enabling the Compensation Committee to make decisions on the suitability of the Company's compensation policies and practices. The Board has adopted a charter for the Compensation Committee which sets out the responsibilities, powers and operations of such committee.

Corporate Governance Committee

The Corporate Governance Committee is responsible for assisting the Board in establishing and maintaining a sound system of corporate governance through a process of continuing assessment and enhancement. The Corporate Governance Committee works to ensure that the Board functions independently of Management, that Management is clearly accountable to the Board, and that procedures are in place to monitor the effectiveness of the performance of the Board, the Committees and individual directors. The process by which the Board identifies new candidates is by keeping itself informed of potential candidates in the industry. Any Board member may suggest a director nominee. The Corporate Governance Committee will formally review and consider the background, expertise, qualifications and skill sets, to the needs of the Company and recommend nomination of the potential candidates to the Board.

During the fiscal year ended June 30, 2023 the Corporate Governance Committee was comprised of the following independent directors: Terry Salman (Chair), Martin Wafforn and Dr. Peter Megaw. The Board has adopted a charter for the Corporate Governance Committee which sets out the responsibilities, powers and operations of such committee.

Assessments

The Corporate Governance Committee and the Board annually, and at such other times as they deem fit, monitor the adequacy of information given to directors, communications between the Board and Management, and the strategic direction and processes of the Board and its Committees and assess the Board, its Committees and individual directors with respect to their effectiveness and contribution. As part of the assessments, the Board and/or the Committees may review their respective charter and conduct reviews of applicable corporate policies. Each Board member is well qualified through current or previous professions and has been specifically selected for its expertise.

AUDIT COMMITTEE

The Audit Committee assists the Board in overseeing the integrity of the Company's financial statements; the Company's compliance with legal and regulatory requirements; the qualifications and independence of the Company's independent auditor; and the performance of the independent auditor. During the fiscal year ended June 30, 2023 the Audit Committee was comprised of the following independent directors: Maria Tang (Chair), Terry Salman, and Dickson Hall. All of the Audit Committee members were considered financially literate pursuant to NI 52-110. A description of responsibilities, powers and operation of the Audit Committee is included in the Company's annual information form ("AIF") dated September 22, 2023 under the heading "Audit Committee", and a copy of the charter of the Audit Committee is attached to the AIF. EXECUTIVE COMPENSATION

Executive Compensation

Set out below are particulars of compensation paid to the following persons (the "**Named Executive Officers**" or "**NEOs**"): (a) the Company's CEO; (b) the Company's Chief Financial Officer (the "**CFO**"); (c) each of the Company's three most highly compensated executive officers, or three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000 for that financial year; and (d) any additional individuals for whom disclosure would have been provided under (c) except that the individual was not serving as an executive officer of the company, nor acting in a similar capacity, at the end of the most recently completed financial year.

Compensation Discussion and Analysis

The Company's executive compensation program is overseen by the Compensation Committee. See "**Compensation Committee**" for a description of the composition of the Compensation Committee. The objective of the Compensation Committee is to assist in attracting, retaining and motivating executives and key personnel in support of the Company's goals. The Compensation Committee is responsible for making recommendations to the Board with respect to the compensation of executive officers of the Company as well as with respect to the Omnibus Plan (as defined below). The Compensation Committee also assumes responsibility for reviewing and monitoring the long-term compensation strategy for senior Management.

The Compensation Committee attempts to ensure that the compensation packages for executive officers and the overall equity participation plan are in line with publicly listed mining and mineral exploration companies of a comparable size. Comparable mining companies comprises of publicly traded mining companies of similar size in North America, as determined by market capitalization and complexity relative to the Company. Comparable companies include SilverCrest Metals Inc., Great Bear Resources Ltd., Bear Creek Mining Corporation, Kootenay Silver Inc., and Alexco Resource Corp. the ("**Compensation Peer Group**"). The Compensation Peer Group includes consists primarily of silver, gold or other precious metal producers with activity in at least one Latin American jurisdiction, as these characteristics are relevant to the Company's operations. The Compensation Committee does not rely on any formula

or objective criteria and analysis to determine an exact amount of compensation to pay. Compensation decisions are made through discussion by the Compensation Committee, with input from the CEO, with the final recommendations of the Compensation Committee being submitted to the Board for further discussion and final approval.

The following is a summary of the significant elements of compensation awarded to, earned by, paid to, or payable to NEOs for the most recently completed financial year:

Base Compensation

In the Compensation Committee's view, paying base compensation that is competitive in the market in which the Company operates is a first step to attracting and retaining talented, qualified and effective executives. The Compensation Committee makes assessments by: (a) making reference to independent salary surveys, including an independent survey prepared for the Company by GGA Global Governance Advisors and (b) comparing salaries with that of other similar sized Canadian mining companies, including the Compensation Peer Group.

Short Term Incentive Plan

The Company does not maintain any short-term incentive plans for its CEO or other NEOs.

Share-based Awards

The Company believes that encouraging its executive officers and employees to become Shareholders is one of the best ways of aligning their interests with those of its Shareholders. Equity participation is accomplished through the Omnibus Plan (as defined below). The Compensation Committee oversees the administration of the Omnibus Plan. The Omnibus Plan is designed to give eligible directors, officers, employees and consultants of the Company, or its subsidiaries, an interest in preserving and maximizing shareholder value in the longer term, to enable the Company to attract and retain individuals with experience and ability, and to provide a sense of company ownership to the individual. The Compensation Committee considers share-based awards, including grants of Options and RSUs when reviewing executive officer compensation packages as a whole.

The distribution of share-based awards, including Options and RSUs (each as defined below), is recommended by the Compensation Committee. The number of Options and RSUs recommended for each individual is based upon seniority, responsibilities of the job position, and the performance of the Company. The Compensation Committee's recommendation to the Board includes the number of Options and RSUs to be granted to the independent directors.

The NEOs are granted Options and/or RSUs commensurate with those offered by other companies in our industry, with consideration also given to internal relativity and individual performance. Options and/or RSUs are granted to executive officers taking into account a number of factors, including the amount and terms of Options and/or RSUs previously granted, base compensation, performance bonuses, if any, and competitive factors.

During the fiscal year ended June 30, 2023, the Board granted eligible participants 415,000 RSUs representing 0.26% of the outstanding Common Shares and 500,000 options representing 0.32% of the outstanding Common Shares were granted.

Risk Considerations

The Compensation Committee considered the implications of the risks associated with the Company's compensation policies and practices and concluded that, given the nature of the Company's business and the role of the Compensation Committee in overseeing the Company's executive compensation practices and the risks associated with the same, the compensation policies and practices do not serve to encourage any NEO or individual at a principal business unit or division to take inappropriate or excessive risks, and no risks were identified arising from the Company's compensation policies and practices that are reasonably likely to have a material adverse effect on the Company.

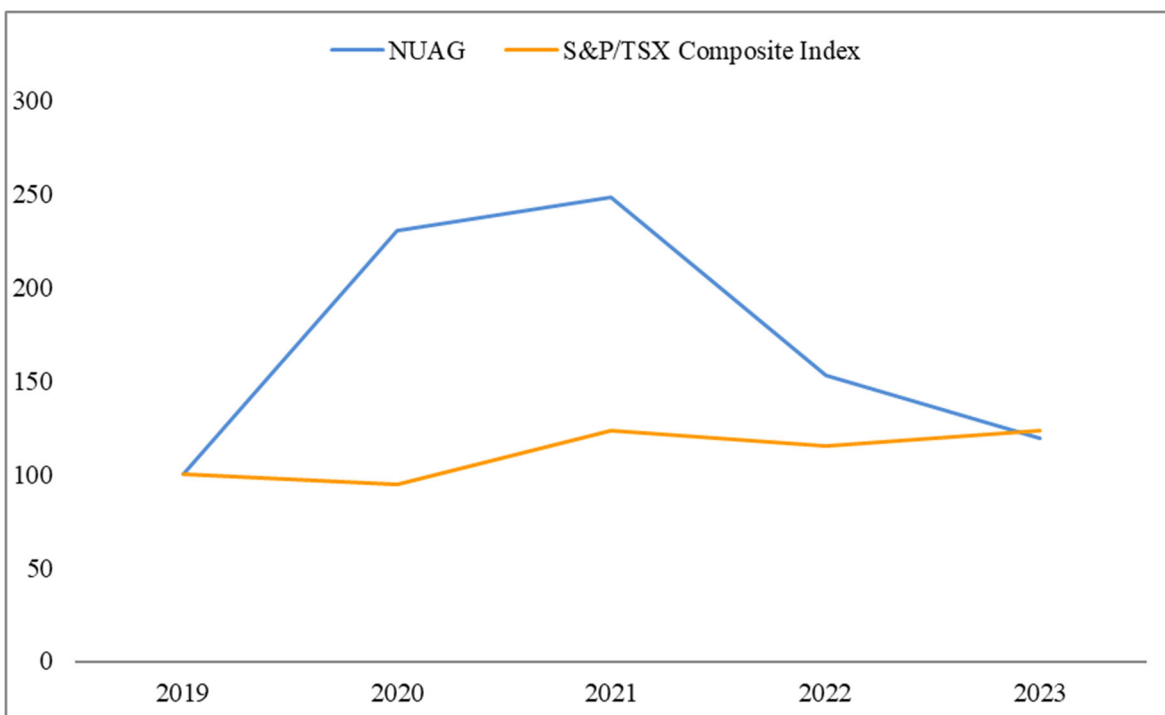

The Board also has the ability to set out vesting periods in respect of the share-based awards granted. As the benefits of such compensation, if any, are not realized by officers and directors until a period of time has passed, the ability of officers to take inappropriate or excessive risks that are beneficial to their compensation at the expense of the Company and the Shareholders is thereby limited. Furthermore, all elements of executive compensation are discretionary. As a result, it is unlikely an officer would take inappropriate or excessive risks at the expense of the Company or the Shareholders that would be beneficial to their short-term compensation when their long-term compensation might be put at risk from their actions. Risks, if any, may be identified and mitigated through regular Board meetings during which financial and other information of the Company is reviewed. No risks have been identified arising from the Company's compensation policies and practices that are reasonably likely to have a material adverse effect on the Company.

No NEOs or directors are permitted to purchase financial instruments including prepaid variable forward contracts, equity swaps, collars, units of exchange funds or like instruments, that are designed to hedge or offset a decrease in market value of equity securities of the Company granted as compensation or held, directly or indirectly, by NEOs or directors as compensation.

No new actions, decisions or policies were made after the end of the most recently completed financial year that could affect a reasonable person's understanding of an NEO's compensation for the year ended June 30, 2023.

Performance Graph

The following chart compares the total cumulative Shareholder return for CDN\$100 invested in Common Shares on June 30, 2019, with the cumulative total return of the S&P/TSX Composite Index for the period from June 30, 2019 to June 30, 2023. The Common Share performance as set out in the graph does not necessarily indicate future price performance. The Company has never paid dividends to its Shareholders. The Company does take into account overall share price performance in determining executive compensation amounts; however, share price performance is just one of the many factors, as discussed above, that the Company takes into consideration. There is not a direct correlation between the Company's share price performance and the amount of compensation paid to NEOs. The trend in overall compensation paid to the Company's NEOs over the period has not specifically tracked the performance of the market price of the Company's common shares, or the S&P/TSX Composite Index.

Although the assumptions used reflect Management's best estimates, they involve inherent uncertainties based on market conditions generally outside of the control of the Company. The following summarizes the key assumptions used to calculate the fair value of each set of Options granted.

Incentive Plan Awards – Value Vested or Earned During the Year

The following table discloses the number of option-based grants to the NEOs that have vested during the fiscal year ended June 30, 2023 and provides the aggregate dollar value that would have been realized if these Options had been exercised on the vesting date by determining the difference between the market price of the underlying securities and the exercise price of the Options on the vesting date.

Option Repricing

There are no Options held by the NEOs that have been repriced.

Termination and Change of Control Benefits

Other than as disclosed herein, the Company does not have any contract, agreement, plan or arrangement that provides for payments to an NEO at, following or in connection with any termination (whether voluntary, involuntary or constructive), resignation, retirement, a change in control of the Company or a change in an NEO's responsibilities. There are no deferred compensation plans.

The change of control agreements deem a “Change of Control” to occur, inter alia, if: (i) a merger, amalgamation, arrangement, consolidation, reorganization or transfer takes place in which equity securities of the Company possessing more than 50% of the total combined voting power of the Company’s outstanding equity securities are acquired by a person or persons different from the persons holding those equity securities immediately prior to such transaction, and the composition of the Board following such transaction is such that the directors of the Company prior to the transaction constitute less than 50% of the Board membership following the transaction, except that no Change of Control will be deemed to occur if such merger, amalgamation, arrangement, consolidation, reorganization or transfer is with any subsidiary or subsidiaries of the Company; (ii) the purchase or acquisition of voting shares of the Company and/or securities convertible into voting shares or carrying the right to acquire voting shares of the Company (“**Convertible Securities**”), which results in an entity, person or group of entities, or persons acting jointly or in concert (“**Holder**”) beneficially owning or exercising control or direction over voting shares of the Company and/or Convertible Securities such that, assuming the conversion of the Convertible Securities beneficially owned by such Holder, such Holder would have the right to cast more than 50% of the votes attached to all voting shares of the Company at a meeting of shareholders; (iii) any person, or any combination of persons acting jointly or in concert by virtue of an agreement, arrangement, commitment or understanding shall acquire or hold, directly or indirectly, the right to appoint a majority of the directors of the Company; or (iv) the Company sells, transfers or otherwise disposes

of all or substantially all of its assets, except that no Change of Control will be deemed to occur if such sale or disposition is made to a subsidiary or subsidiaries of the Company.

Andrew Williams

In the event of change of control and if the employee is terminated at any time within 13 month period beginning one month before the date of a change of control, the employee will be entitled to a lump sum payment equal to 12 months' base salary, plus any other salary, bonus or benefits which have been accrued or earned.

Jalen Yuan

In the event of change of control and if the employee is terminated at any time within 13 month period beginning one month before the date of a change of control, the employee will be entitled to a lump sum payment equal to 12 months' base salary, plus any other salary, bonus or benefits which have been accrued or earned.

Alex Zhang

Dustin VanDoorselaere

Quantified Impact of Termination and Change of Control Provisions

If a Change of Control of the Company had occurred on June 30, 2023, the total estimated cash cost to the Company of related payments to the below NEOs (which includes the accelerated option-based award value and share-based award value) is estimated at \$1,272,891. The following table shows estimated incremental payments triggered pursuant to termination of employment of an NEO in accordance with the termination provisions described above:

Name	Termination Without Cause Under Agreement Provision Value (CAD) ⁽¹⁾⁽²⁾⁽³⁾	Change of Control Provision Value (CAD) ⁽¹⁾⁽²⁾⁽³⁾
Andrew William	31,667	566,550
Jalen Yuan	-	491,059
Alex Zhang	-	1,046,781
Dustin VanDoorselaere	54,167	468,500

Notes:

- (1) The termination values assume that the triggering event took place on the last business day of the Company's financial year-end (June 30, 2023).
- (2) The accelerated option-based award value on the last business day of the Company's year-end (June 30, 2023) was calculated based on the difference between the value of the Options that would have vested and the closing price of the Common Shares on the TSX on June 30, 2023, of CAD\$2.87.
- (3) Value of earned/unused vacation and amounts owing for expense reimbursement are not included as they are not considered "incremental" payments made in connection with termination of employment.

No new actions, decisions, or policies were made after the end of the last financial year to affect a reader's understanding of an NEO's compensation for the year ended June 30, 2023.

DIRECTOR COMPENSATION

The assumptions used reflect Management's best estimates, but involve inherent uncertainties based on market conditions outside of the control of the Company. The only equity compensation plan which the Company has in place is the Omnibus Plan which was previously approved by the Shareholders on September 30, 2020. A copy of the Omnibus Plan is attached as Exhibit "B" to this Information Circular.

The Company has an authorized capital of an unlimited number of Common Shares without par value, of which 170,896,049 Common Shares were issued and outstanding as fully paid and non-assessable as of the Record Date.

The Omnibus Plan has been established to attract and retain employees, consultants, officers or directors to the Company and to motivate them to advance the interests of the Company by affording them with the opportunity to acquire an equity interest in the Company. The Omnibus Plan is administered by the directors and the Compensation Committee. The maximum number of Common Shares that may be reserved for issuance for all purposes under the Omnibus Plan is 10% of the issued and outstanding Common Shares, from time to time.

The Omnibus Plan is administered by the Board and the Compensation Committee. The following is a description of the key terms of the Omnibus Plan, which is qualified in its entirety by reference to the full text of the Omnibus Plan.

- Exercise of Option – A Participant may exercise vested Options by payment of the exercise price per Common Share subject to each Option.
- Termination of Employment – If a Participant ceases to be a director, officer, employee or consultant of the Company for any reason other than death, such director, officer, consultant or employee of the Company shall have such rights to exercise any Option not exercised prior to such termination within the lesser of a period of 90 calendar days after the date of termination, or the expiry date of the Option, or such shorter period as may be set out in the Participant's Option Award Agreement.

Restricted Share Units and Performance Share Units

- Terms – RSUs and PSUs are notional securities that entitle the recipient to receive cash or Common Shares at the end of a vesting period. The terms applicable to RSUs and PSUs under the Omnibus Plan (including the vesting schedule, performance cycle, performance criteria for vesting and whether dividend equivalents will be credited to a Participant's account) are determined by the Board at the time of the grant.
- Vesting – Unless otherwise provided, RSUs typically vest on the second anniversary of the date the RSU was granted and shall be settled in accordance with the settlement provisions described below. Unless otherwise noted, PSUs shall vest as at the date that is the end of their specified performance cycle, subject to any performance criteria having been satisfied and shall be settled in accordance with the settlement provisions described below. Vesting of PSUs is contingent upon achieving certain performance criteria.
- Settlement – On settlement, the Company shall, for each vested RSU or PSU being settled, deliver to a Participant either (a) one Common Share, (b) a cash payment equal to the Market Price of one Common Share as of the vesting date, or (c) any combination of cash and Common Shares equal to the Market Price of one Common Share as of the vesting date, at the discretion of the Board.
- Dividend Equivalents – As dividends are declared, additional RSUs and PSUs may be credited to a Participant in an amount equal to the greatest whole number which may be obtained by dividing (i) the value of such dividend or distribution on the payment date therefore by (ii) the Market Price of one Common Share on such date.
- Termination of Employment – If a director, officer, consultant or employee of the Company ceases to be so engaged by the Company for any reason other than death, all outstanding RSUs and PSUs that were vested on or before the date of the termination of employment or services of such Participant shall be settled in

accordance with the applicable settlement provisions of the Omnibus Plan as of the date of termination, after which time the RSUs and PSUs shall in all respects terminate.

- *Death* – If a Participant dies, all outstanding RSUs and PSUs that were vested on or before the date of the date of death such Participant shall be settled in accordance with the applicable settlement provisions of the Omnibus Plan as of the date of death. Outstanding RSUs that were not vested on or before the date of death shall vest and be settled in accordance applicable settlement provisions of the Omnibus Plan as of the date of death, prorated to reflect the actual period between the grant date of the RSU and the date of death. Outstanding PSUs that were not vested on or before the date of death shall vest and be settled in accordance with the applicable settlement provisions of the Omnibus Plan as of the date of death, prorated to reflect the actual period between the commencement of the performance cycle and the date of death, based on the performance criteria for the applicable performance period(s) up to the date of death. Subject to the foregoing, any remaining RSUs and PSUs shall in all respects terminate as of the date of death.

General

- *Assignment* – Awards granted under the Omnibus Plan are non-assignable and non-transferable other than by will or by the laws of descent and distribution.
- *Change of Control* – In the event of a Change of Control (as defined in the Omnibus Plan), all unvested Awards then outstanding will, as applicable, be substituted by or replaced with awards of the surviving corporation (or any affiliate thereof) or the potential successor (or any affiliate thereto) (the "**continuing entity**") on the same terms and conditions as the original Awards, subject to appropriate adjustments that do not diminish the value of the original Awards. If, upon a Change of Control, the continuing entity fails to comply with this requirement, the vesting of all then outstanding Awards (and, if applicable, the time during which such Awards may be exercised) will be accelerated in full. Additionally, in the event of a potential Change of Control, the Board will have the power, in its sole discretion, to modify the terms of the Omnibus Plan and/or the Awards to assist the Participants in tendering to a take-over bid or other transaction leading to a Change of Control (including to accelerate the vesting of Awards and to permit Participants to conditionally exercise their Awards).
- *Amendments Not Requiring Shareholder Approval* – The Board may amend the Omnibus Plan or Awards at any time, provided, however, that no such amendment may adversely affect any Award previously granted to a Participant without the consent of the Participant, except to the extent required by applicable law (including TSX requirements). Any such amendment will be subject to all necessary regulatory approvals. Without limiting the generality of the foregoing, the Board may, without prior notice to the Shareholders and without further Shareholder approval, at any time and from time to time, amend the Omnibus Plan or any provisions thereof, or the form of Award agreement or instrument to be executed pursuant to the Omnibus Plan, in such manner as the Board, in its sole discretion, determines appropriate:
 - for the purposes of making formal minor or technical modifications to any of the provisions of the Omnibus Plan;
 - to correct any ambiguity, defective provisions, error or omission in the provisions of the Omnibus Plan;
 - to change any vesting provisions of Awards;
 - to change the termination provisions of the Awards or the Omnibus Plan;
 - to change the persons who qualify as Eligible Persons under the Omnibus Plan; and
 - to add or change provisions relating to any form of financial assistance provided by the Company to Participants that would facilitate the purchase of securities under the Omnibus Plan.
- *Amendments Requiring Shareholder Approval* – Shareholder approval (or disinterested Shareholder approval, if required by the policies of the TSX) will be required for the following types of amendments:

- an increase in the number of Common Shares issuable under Awards granted pursuant to the Omnibus Plan;
- a reduction in the exercise price of an Option, or a cancellation and reissuance of an Option;
- an extension of (i) the term of an Option beyond its original expiry date, or (ii) the date on which a PSU or RSU will be forfeited or terminated in accordance with its terms, other than in accordance with the Omnibus Plan;
- a revision to the assignment provisions to permit Awards granted under the Omnibus Plan to be transferable or assignable other than for estate settlement purposes;
- a revision to the insider participation limits or the non-executive director limits;
- a revision to the amending provisions; or
- any amendment required to be approved by Shareholders under applicable law (including without limitation, pursuant to the policies of the TSX).

Black Out Periods – If the expiry date or vesting date of an Award falls (other than a PSU or RSU awarded to a Canadian resident) is during a self-imposed blackout period imposed under any insider trading policy or similar policy of the Company (a "**Blackout Period**"), the expiry date or vesting date, as applicable, will be automatically extended for a period of ten business days after the earlier of the end of such Blackout Period, or, provided the Blackout Period has ended, the expiry date or vesting date of such Award. In the case of a RSU or PSU awarded to a Canadian resident, any settlement that is effected during a Blackout Period shall be settled in cash, notwithstanding any other provision of the Omnibus Plan.

- (d) the vesting schedule of the Options; and
- (e) such other terms and conditions, not inconsistent with the Plan, as the Board shall determine, including customary representations, warranties and covenants with respect to matters relating to Securities Laws.

5.04 Method of Exercise Subject to the exercisability and termination provisions set forth in this Plan and in the applicable Option Award Agreement, Options may be exercised, in whole or in part, at any time and from time to time during the term of the Option, by the delivery of written notice of exercise (the "Exercise Notice") by the

Participant to the Company substantially in the form of Appendix A to the Option Award Agreement specifying the number of Shares to be purchased. Such notice will be accompanied by payment in full of the exercise price of the Options and any applicable tax withholdings by one of the following methods: in cash, by certified cheque or bank draft payable to the Company or by wire transfer of immediately available funds.

For the avoidance of doubt, subject to applicable laws, no period of notice, if any, or payment instead of notice that is given or that ought to have been given under applicable law, whether by statute, imposed by a court or otherwise, in respect of such termination of employment that follows or is in respect of a period after the Participant's termination date will be considered as extending the Participants period of employment for the purposes of determining his entitlement under the Plan. The Participant shall have no entitlement to damages or other compensation arising from or related to not receiving any Awards which would have settled or vested or accrued to the Participant after the termination date.

5.06 Death If a Director, Officer, Consultant or Employee dies prior to the expiry of his Option, his legal representatives may, within the lesser of one year from the date of the Participant's death or the expiry date of the Option, exercise that portion of an Option granted to the Director, Officer, Consultant or Employee under this Plan which remains outstanding.

PSUs awarded to the Participant from time to time pursuant to Sections 6.01 shall be credited to the Participant's PSU Account and shall

vest in accordance with Section 6.04. On the vesting of the PSUs pursuant to Section 6.04 and the corresponding issuance of cash and/or Shares to the Participant pursuant to Section 6.05, or on the forfeiture or termination of the PSUs pursuant to the terms of the Award, the PSUs credited to the Participant's PSU Account will be cancelled.

6.04 Vesting Subject to PART 10, unless otherwise determined by the Board in accordance with the provisions hereof, or unless otherwise specified in the Participant's Service Agreement or PSU Award Agreement, each PSU shall vest as at the date that is the end of the performance cycle (which shall be the "PSU Vesting Date"), subject to any Performance Criteria having been satisfied and will be settled in accordance with Section 6.05.

6.05 Settlement

- (a) The PSUs may be settled by delivery by the Participant to the Company of a notice of settlement, substantially in the form attached as Schedule 1 – Notice of Settlement of PSUs attached to the PSU Award Agreement, acknowledged by the Company. No certificates for Shares issued in settlement will be issued to the Participant until the Participant and the Company have each completed all steps required by law to be taken in connection with the issuance of the Shares, including receipt from the Participant of payment or provision for all withholding taxes due as a result of the settlement of the PSUs. The delivery of certificates representing the Shares to be issued in settlement of PSUs will be contingent upon the fulfilment of any requirements contained in the PSU Award Agreement or applicable provisions of laws.
- (b) For greater certainty, for Canadian Taxpayers, in no event shall such settlement be later than December 31 of the calendar year which is three years after the calendar year in which the Grant Date occurs.

6.06 Termination of Employment If a Director, Officer, Consultant or Employee ceases to be so engaged by the Company for any reason other than death, all outstanding PSUs that were vested on or before the date of the termination of employment or services of such Director, Officer, Consultant or Employee shall be settled in accordance with Section 6.05 as of the date of termination, after which time the PSUs shall in all respects terminate.

6.07 Death If a Director, Officer, Consultant or Employee dies, all outstanding PSUs that were vested on or before the date of death such Director, Officer, Consultant or Employee shall be settled in accordance with Section 6.05 as of the date of death. Outstanding PSUs that were not vested on or before the date of death shall vest and be settled in accordance with Section 6.05 as of the date of death, prorated to reflect the actual period between the commencement of the performance cycle and the date of death, based on the Performance Criteria for the applicable performance period(s) up to the date of death. Subject to the foregoing, any remaining PSUs shall in all respects terminate as of the date of death.

6.08 PSU Tax Considerations Any PSUs that are awarded to a Participant who is a resident of Canada or employed in Canada (each for purposes of the Tax Act) shall be structured so as to be considered to be a plan described in section 7 of the Tax Act or in such other manner to ensure that such award is not a "salary deferral arrangement" as defined in the Tax Act (or any successor to such provisions).

PART 7

7.03 RSU Accounts A separate notional account shall be maintained for each Participant with respect to RSUs granted to such Participant (an "RSU Account") in accordance with Section 14.03. RSUs awarded to the Participant from time to time pursuant to Sections 7.01 shall be credited to the Participant's RSU Account and shall vest in accordance with Section 7.04. On the vesting of the RSUs pursuant to Section 7.04 and the corresponding issuance of cash and/or Shares to the Participant pursuant to Section 7.05, or on the forfeiture or termination of the RSUs pursuant to the terms of the Award, the RSUs credited to the Participant's RSU Account will be cancelled.

No certificates for Shares issued in settlement will be issued to the Participant until the Participant and the Company have each completed all steps required by law to be taken in connection with the issuance of the Shares, including receipt from the Participant of payment or provision for all withholding taxes due as a result of the settlement of the RSUs. The delivery of certificates representing the Shares to be issued in settlement of RSUs will be contingent upon the fulfillment of any requirements contained in the RSU Award Agreement or applicable provisions of laws.
- (b) For greater certainty, for Canadian Taxpayers, in no event shall such settlement be later than December 31 of the calendar year which is three years after the calendar year in which the Grant Date occurs.

7.08 RSU Tax Considerations Any RSUs that are awarded to a Participant who is a resident of Canada or employed in Canada (each for purposes of the Tax Act) shall be structured so as to be considered to be a plan described in section 7 of the Tax Act or in such other manner to ensure that such award is not a “salary deferral arrangement” as defined in the Tax Act (or any successor to such provisions).

PART 8

DIVIDEND EQUIVALENTS

8.01 Credit of Dividend Equivalents The Board may determine whether and to what extent Dividend Equivalents will be credited to a Participant’s PSU Account and RSU Account with respect to Awards of PSUs or RSUs. Dividend Equivalents to be credited to a Participant’s PSU Account or RSU Account shall be credited as follows:

- (a) any cash dividends or distributions credited to the Participant’s PSU Account or RSU Account shall be deemed to have been invested in additional PSUs or RSUs, as applicable, on the payment date established for the related dividend or distribution in an amount equal to the greatest whole number which may be obtained by dividing (i) the value of such dividend or distribution on the payment date by (ii) the Market Price of one Share on such payment date, and such additional PSU or RSU, as applicable, shall be subject to the same terms and conditions as are applicable in respect of the PSU or RSU, as applicable, with respect to which such dividends or distributions were payable; and
- (b) if any such dividends or distributions are paid in Shares or other securities, such Shares and other securities shall be subject to the same vesting, performance and other restrictions as apply to the PSUs or RSUs, as applicable, with respect to which they were paid.

8.02 No Dividend Equivalent No Dividend Equivalent will be credited to or paid on Awards of PSUs or RSUs that have expired or that have been forfeited or terminated.

PART 9

9.01 Corporate Reorganizations The number and kind of Shares to which an Award pertains and, with respect to Options, the exercise price of the Options, shall be adjusted in the event of a reorganization, recapitalization, stock split or redivision, reduction, combination or consolidation, stock dividend, combination of shares, merger, consolidation, rights offering or any other change in the corporate structure or shares of the Company, in such manner, if any, and at such time, as the Board, in its sole discretion, may determine to be equitable in the circumstances. Failure of the Board to provide for an adjustment shall be conclusive evidence that the Board has determined that it is equitable to make no adjustment in the circumstances. If an adjustment results in a fractional share, the fraction shall be disregarded.

9.02 No Adjustment for Additional Purchases of Securities If at any time the Company grants to its shareholders the right to subscribe for and purchase pro rata additional securities of any other corporation or entity, there shall be no adjustments made to the Shares or other securities subject to an Award in consequence thereof and the Awards shall remain unaffected.

PART 10
CHANGE OF CONTROL

10.01 Effect of a Change of Control Despite any other provision of the Plan, in the event of a Change of Control, all unvested Awards then outstanding will, as applicable, be substituted by or replaced with awards of the surviving corporation (or any affiliate thereof) or the potential successor (or any affiliate thereto) (the “continuing entity”) on the same terms and conditions as the original Awards, subject to appropriate adjustments that do not diminish the value of the original Awards. If, upon a Change of Control, the continuing entity fails to comply with this Section 10.01, the vesting of all then outstanding Awards (and, if applicable, the time during which such Awards may be exercised) will be accelerated in full, and any performance vesting conditions will be assessed by the board, acting in good faith, on a pro-rata basis.

10.02 Discretion to Accelerate Vesting Despite anything else to the contrary in the Plan, in the event of a potential Change of Control, the Board will have the power, in its sole discretion, to modify the terms of the Plan and/or the Awards to assist the Participants in tendering to a take-over bid or other transaction leading to a Change of Control. For greater certainty, in the event of a take-over bid or other transaction leading to a Change of Control, the Board has the power, in its sole discretion, subject to Exchange acceptance, as applicable, to accelerate the vesting of Awards and to permit Participants to conditionally exercise their Awards, such conditional exercise to be conditional upon the take-up by such offeror of the Shares or other securities tendered to such take-over bid in accordance with the terms of the take-over bid (or the effectiveness of such other transaction leading to a Change of Control). If, however, the potential Change of Control referred to in this Section 10.02 is not completed within the time specified (as the same may be extended), then despite this Section 10.02 or the definition of “Change of Control”, (i) any conditional exercise of vested Awards will be deemed to be null, void and of no effect, and such conditionally exercised Awards will for all purposes be deemed not to have been exercised, and (ii) Awards which vested pursuant to this Section 10.02 will be returned by the Participant to the Company and reinstated as authorized but unissued Shares and the original terms applicable to such Awards will be reinstated.

10.03 Termination of Awards on Change of Control If the Board has, pursuant to the provisions of Section 10.02 permitted the conditional exercise of Awards in connection with a potential Change of Control, then the Board will have the power, in its sole discretion, to terminate, immediately following actual completion of such Change of Control and on such terms as it sees fit, any Awards not exercised (including all vested and unvested Awards).

10.04 Further Assurances on Change in Control The Participant shall execute such documents and instruments and take such other actions, including exercise or settlement of Awards vesting pursuant to Section 10.02 or the Award Agreement, as may be required consistent with the foregoing; provided, however, that the exercise or settlement of Awards vesting pursuant to Section 10.02 or the Award Agreement shall be subject to the completion of the Change of Control.

10.05 Awards Need Not be Treated Identically In taking any of the actions contemplated by this PART 10, the Board shall not be obligated to treat all Awards held by any Participant, or all Awards in general, identically.

10.06 No Fractional Shares No fractional Shares or other security will be issued upon the exercise of any Award and accordingly, if as a result of a Change of Control, a Participant would become entitled to a fractional Share or other security, such participant will have the right to acquire only the next lowest whole number of Shares or other security and no payment or other adjustment will be made with respect to the fractional interest so disregarded.
